

MEDICAL

DR. ROBACK'S BLOOD PURIFIER and BLOOD PILLS

have been introduced to the public for more than six years, and have acquired an Immense Popularity, for exceeding any Family Medicines of a similar nature in the market.

An appreciating public was not long in discovering their possession of remarkable Curative Properties, and hence their

Rapid Sale

of dollars each year in advertising their merits, and publishing the

Numerous Certificates

which have been showered upon him from all parts of the Country.

The peculiarity of the

Blood Purifier and Pills

is that they strike at the root of Disease, by eradicating every particle of impurity

In the Blood,

for the life and health of the body depends upon the purity of the blood.

If the blood is poisoned, the body drags out a miserable existence. These medicines

Are Unequaled

for curing

Soreful, Liver Complaint, Skin Diseases, Female Complaints, Blain Rheum, Rheumatism, Dyspepsia, Syphilis, Old Sores, Fever and Ague, Leucorrhoea, Sick Headache, Erysipelas, St. Anthony's Fire, Tumors, Eruptions, Fits, Scrofulous Consumption, etc.

ONE person writes, her daughter was cured of its nine years standing, and St. Vincent's disease of ten years.

ANOTHER writes, his son was cured after his flesh had almost worn away.

The doctors pronounced the case incurable.

ANOTHER was cured of Fever and Ague after trying every medicine in his reach.

ANOTHER was cured of Fever and Ague which had existed fourteen years.

ANOTHER of Rheumatism of eight years.

Cases innumerable of Dyspepsia and Liver Complaint could be mentioned in which the Purifier and Pills

Work like a Charm.

The Blood Pills

are the most active and thorough pills that have ever been introduced.

They act so directly upon the Liver, exciting that organ to such an extent as that the system does not relapse into its former condition, which is too apt to be the case with simply a purgative pill.

They are really a

Blood and Liver Pill,

which, in conjunction with the

Blood Purifier,

will cure all the aforementioned diseases, and of themselves, will relieve and cure Headache, Costiveness, Colic Pains, Cholera Morbus, Indigestion, Pain in the Bowels, Quizziness, etc.

Try these medicines, and you will never regret it.

Ask your neighbors, who have used them, and they will say they are

Good Medicines,

and you should try them before going to a physician.

Get a Pamphlet or Almanac of my local agent, and read the certificates, and if you have ever doubted you will

Doubt no more.

As a proof that the Blood Purifier and Pills are as they are, I have the certificates of those eminent chemists, Professors O'Neil and New York, and of the following:

Read Dr. Roback's Special Notice and Certificate of Purity in a complimentary part of the Paper from time to time.

It is reported that General Bragg has been killed. There has been fighting all day, but we have been unable to gather the particulars. Our forces are advancing and the rebels are falling back across Stone's river. Among the killed are Lieut. Col. N. C. Hall, Lieut. Col. Suman and Capt. Pate.

SECOND DISPATCH.—There was heavy cannonading yesterday till noon. The rebels attacked our left, and were terribly repulsed. There was very little fighting yesterday afternoon. Our forces do not yet occupy Murfreesboro. The rebels attacked and destroyed the hospital building on Thursday. The Richmond army are furnishing strong reinforcements.

THIRD DISPATCH.—There was a spirited engagement at Lagrange between the Michigan and Engineers, Col. Smith, and Gen. Watson's rebel cavalry. The latter were routed, with a loss of 25 killed.

All the contrabands captured on Federal wagon trains were shot. Twenty of the killed were sent to the rear, and the rest were sent to the front. General Willcutt is not killed, but wounded, and a prisoner.

Yesterday General Rosecrans took command of the 4th United States Cavalry in the attack on Wheeler's rebel cavalry, who were cut to pieces and utterly routed. Captain Macke and his company, who were with the 4th, were also routed.

DISPATCHES FROM GEN. SHERMAN ON THE BATTLE OF VICKSBURG have been received at Memphis. On Saturday, the 27th, Sherman began his march on the left bank of the river, ten miles above the mouth, and, forming a line of battle, advanced towards Vicksburg.

After passing beyond reach of the fire from the gunboats they encountered enemy in force. A terrible conflict of five hours ensued, in which our forces were victorious. The rebels were killed and wounded, and the gunboats were captured. The rebels were driven back to the river, and the city of Vicksburg was captured.

On Friday night the two armies lay on their arms, with two bayonet interludes between them. During the night pontoon were constructed, and the army crossed the river, and the city of Vicksburg was captured.

On Saturday morning a concerted advance was made by Sherman's whole force. Steel held the left, Morgan and Blair the center, and J. M. Smith the right. Steel turned the enemy's right flank, and the city of Vicksburg was captured.

By sunrise the whole force was engaged, and up to ten o'clock the musketry and artillery were kept up. The rebels in front of Morgan's and Smith's divisions were interluded on high rising ground. This position was finally carried by our forces.

The gunboats did not co-operate, but the rebels engaged the fortifications on Haines' Island, and the city of Vicksburg was captured.

Rebel papers, captured at Van Buren, admit that he was killed and wounded at the battle of Prairie Grove to be over 4,000.

The reported escape of a Confederate General Hindman was also taken, which contains much valuable information, and will be forwarded to the War Department.

The destination of the rebel army is a matter of great importance. It is believed that they are moving towards the north, and that they will be captured.

There was not a place on the field that did not give men a satisfactory idea of the manner of the fight, and the rebels were captured.

Rosecrans himself was incessantly exposed to the fire of the rebels, and he was captured.

It is wonderful that he escaped. His Chief of Staff, General Sherman, was captured.

THE MYSTERIES OF NEW YORK.

[Communicated.]

Wars, national resources, political conditions, religious conventions, amusements, the Central Park, its swarms of people, have been discussed—this letter is the "Mysteries of New York." In the car, steamboat, saloon, parlor, in dinner, in the street, everywhere I hear some story with relation to or inquiry as to the meaning of those mythical words, posted, printed, and advertised wherever I go:

S. T. 1860.—X.

accompanied with a crescent and a shepherd's hook. A second explanation said it was "Satan Triumphant in 1860 in granting the expectation of abolitionists," while a Republican said it was "Stump-Tail Democrats of 1860, gone to Texas;" another, "To the States-Taxes of 1860 and ten (X) dollars," another, that they were the watchwords of some secret society, like "Sons of Tecumseh are 1860 Strong," or "Seward Tricesters of 1860 Used."

But, I believe all our troops but Walker's brigade, consisting of the 17th and 21st Ohio, and two other regiments, were in Wednesday's battle, those named being on guard; but they were engaged to-day.

The enemy seemed fully as numerous as we. They did not use as much artillery. General Joe Johnson and Bragg were in command.

Prisoners they lost largely.

General McCook was brave to a fault, and self-sacrificed. He narrowly escaped death many times. His horse was killed under him, and he was severely hurt by the falling of a tree.

Rebel cavalry are destroying our wagon trains on Murfreesboro pike to-night.

ADDITIONAL CANNON.—Lieutenant Colonel McKee, 15th Wisconsin; Colonel Alma de, 21st Illinois; Colonel Roberts, 42d Illinois; Colonel Walker, 31st Ohio, commanding brigade; Colonel Harrington, 27th Illinois; Captain John Johnson, 15th Wisconsin.

Wounded: Gen. Rosecrans, slightly; Gen. Wood, severely; Lieutenant Colonel 101st Ohio, badly; Colonel Carlin, 33d Illinois, commanding brigade; Captain Douglas, 13th Regulars, severely; Captain Douglas, 13th Regulars.

The Battle Between Rosecrans and Bragg.

From the Cincinnati Commercial.

NASHVILLE, Jan. 1.

The greatest battle of modern times is now raging near Murfreesboro. The armies of Rosecrans and Bragg are hotly engaged.

There was heavy skirmishing all day, and a battle in earnest on Tuesday and Wednesday, to be continued and ended to-day.

On Tuesday the rebel attacked McCook on the right wing, and drove him, in some confusion, two miles. During that day our whole army lost some ground.

There was awful fighting done on Wednesday morning. Rosecrans attacked and drove them some distance, with great courage. The movements were in charges upon batteries and infantry columns.

Yesterday (Wednesday) forenoon Rosecrans moved into a park of nearly one hundred cannon, and let them into the enemy's center. The latter tried to charge and take them, and our batteries were then ordered to fire. The rebels were then repulsed, and retreated yesterday noon, leaving the glorious Union army and leaders in possession of the battle field.

No general fighting yesterday afternoon, General Rosecrans keeping the woods and roads with shells. The rebels were then repulsed, and retreated yesterday noon, leaving the glorious Union army and leaders in possession of the battle field.
